Athens CTO 2026

Chronic Total Occlusion

3-5
June

Dear Colleagues,

It's a great pleasure and honor to welcome you to the **2nd Athens CTO**, which will take place on **3-5 June 2026** in Athens.

Over the course of these days, together with distinguished colleagues from Greece and abroad, we will delve into the evolving and inspiring field of Interventional Cardiology, with a focus on **Chronic Total Occlusions (CTOs)**. Our goal is to share knowledge, techniques, and experiences that will help us achieve complete revascularization and elevate the quality of care we provide in the cath lab.

The program will feature **live case transmissions, state-of-the-art lectures**, and -most importantly- **interactive discussions**, fostering an environment of open exchange and continuous learning. We believe this meeting will offer valuable insights for all participants, regardless of experience level.

It is our hope that this will mark the beginning of a recurring and truly international educational forum.

Thank you for your participation, we're looking forward to meet your expectations and advancing our field together.

With warm regards,

Ioannis Tsiafoutis
The President of the Organizing Committee
Director, 2nd Cardiology Department
Korgialenio - Benakeio General Hospital, Hellenic Red Cross

12.00-18.00 **Workshop**

Advanced Training in Modern Revascularization Techniques

- Antegrade & Retrograde strategies
- Case-based procedural planning
- Complication management

Thursday June 4, 2026

COTSEN HALL

09:00-10.30 **SESSION I**

Moderators: Petros Dardas, Alexandre Avran, Ioannis Tsiafoutis

Panel: Andreas Synetos, Dimitrios Syrseloudis,

Andreas Triantafyllis, Andrew Ladwiniec, Andreas Kalogeropoulos

- Introduction of the aims of the meeting **Ioannis Tsiafoutis**
- CTO is the last frontier? **Andreas Synetos**
- CTO toolbox **Andrew Ladwiniec**
- New kids on the block **Mihajlo Kovacic**
- Live case in a box **Petros Dardas**

10:30-11:00 **Coffee Break**

11:00-14:30 **SESSION II**

Moderators: Nenad Bozinovic, Alexandre Avran, Michael Koutouzis

Panel: Pavlos Bounas, Ioannis Karalis, Gerasimos Gavrielatatos, Petros Dardas

1st live case, **Ioannis Tsiafoutis** Powered by 

2nd live case, **Ilya Litovchik**

- A case, **Andreas Synetos**
- Calcium and overcome how, **Michael Koutouzis**
- Parallel Wire Technique or Dual lumen mC?, **Alexandre Avran**
- Dual Lumen MC a case, **Gerasimos Gavrielatatos**
- Parallel wire a case, **Ioannis Karalis**

Chronic Total Occlusion

14:30-15:30 Lunch Break

15:30-17:00 SESSION III

Moderators: Mauro Carlino, Andrew Ladwiniec, Ioannis Tsiafoutis

Panel: Konstantinos Triantafyllou, Konstantinos Raisakis, Michael Koutouzis, Adam Taleb, Grigorios Karamasis

3rd Live case, **Alexandre Avran, Nenad Bozinovic** Powered by

4th Live case, **Gabriele Gasparini, Damiano Regazzoli**

Powered by APT Medical

Chronic Total Occlusion

DATES:

Wednesday, June 3 - Friday, June 5, 2026

16

VENUE:

03/06: Korgialenio – Benakio | Red Cross General Hospital
04-05/06: Cotsen Hall, Auditorium of the American School of Classical Studies at Athens
Address: 9 Anapiron Polemou Street, Kolonaki, Athens

REGISTRATION / PARTICIPATION:

To complete your pre-registration for the Conference, please fill in the online registration form: Conference Registration Form

https://www.eventora.com/en/Events/ATHENS_CTO_2026/

By completing the above form, you will receive a digital confirmation (electronic badge) via the email address you provided for attendance at the conference in person.

You may save the registration confirmation email on your mobile device (Apple Wallet and Android app storage options are available) or print it for mandatory presentation upon entry to the venue. Please use it for scanning when entering the conference hall.

The conference will be held exclusively with physical attendance.

CERTIFICATE OF ATTENDANCE:

To receive the Certificate of Attendance, participants are required to complete the minimum attendance time requirement (60% of the total hours of the Scientific Program).

AUDIOVISUAL EQUIPMENT – TECHNICAL SECRETARIAT:

A technical secretariat will operate throughout the Scientific Event. Speakers are kindly requested to submit their presentation materials to the technical secretariat at least one hour prior to their presentation.

ORGANISED BY:

ORGANIZATION – SECRETARIAT

Diamondback 360™

Coronary Orbital Atherectomy System

SEVERE CALCIUM. ONE SOLUTION.

Diamondback 360™ Coronary Orbital Atherectomy System is the only vessel prep solution with a diamond-coated crown that orbits 360 degrees, specifically designed to target severe calcium.

Dual-action

Uniquely designed to simultaneously modify both intimal and medial calcium for optimal stent delivery, expansion, and apposition.¹⁻⁴

Versatile

Eccentrically mounted diamond-coated crown with bi-directional capabilities enables single device treatment of multiple lesions and vessel sizes.^{1,2,5}

Proven

Proven effective and safe in the treatment of severely calcified lesions, studied on over 2,200 patients across 11 robust studies.^{6,7}

**Learn more about the Diamondback 360™
Coronary Orbital Atherectomy System today**
